## AYIA NAPA

### SEA & SCULPTURE

Who knew that the party town of Ayia Napa is also a renowned centre for sculpture and culture? Come on a tour of the Sculpture Park to see over a hundred pieces of monumental work by international artists. We will choose our favourites to sketch, then move to one of the white churches by the blue sea for watercolour painting.

Picnic lunch will be on the sandy beach of Pernera, perfect for a friendly castle building competition, and our access to swim over MUSAN Museum of Underwater Sculpture Ayia Napa. This is for strong swimmers and snorkellers and it will be an experience you will never forget! However, relaxing on a sunbed is always an option.

Persons per excursion: 2 minimum, 4 maximum.  
Tours and tutoring are in English.  
This tour is available on any day of the week.  
Snorkelling is dependent on sea conditions.

Please bring with you: swimming costume, towel, snorkel, hat and sunscreen.
